PREPARATION

FACTOID	A robust Cuban comfort food Stew, usually served over Yellow Rice. Ropa Vieja is translated as "Old Clothes". Called such because a serving resembles a pile of colorful rags. The dish freezes and reheats well.
NOTE	We DO NOT like Green Bell Peppers on A N Y T H I N G. Many of my dishes substitute the milder "colored" Bell Peppers for traditional Green ones. This is the case here.

1	BEEF: In a dutch oven over medium heat, combine all of the Braising Liquid ingredients and bring them to a boil, lower the heat to a simmer and add in the Beef. Simmer, uncovered for about, 1 1/2 hours, or until the Beef is very tender.
2	BEEF: Remove the dutch oven from the heat and cool the Beef while still submerged in the liquid for 30 minutes. Transfer the Beef to a platter and tent it with aluminum foil.
3	BEEF: Strain the Braising Liquid through a colander into a medium mixing bowl, pressing on the solids to extract as much of the liquid as possible. Discard the solids. Return the Braising Liquid to the dutch oven over high heat and boil until it is reduced to roughly 3 cups, about 30 minutes. Pour the reduced Braising Liquid back into the mixing bowl.
4	VEGETABLES: In the dutch oven over medium heat, add in 2 tablespoons of Olive Oil and heat until it shimmers. Add in the Green Bell Peppers and Red Onions and cook them while stirring until softened, about 4 minutes.
5	BEEF: While the Vegetables are cooking, pull and cut the Beef into strips about 3 inches long by 1/2 inch wide.

6	STEW: To the Vegetable Mixture, add in the Beef Strips, 2 cups of the reserved Braising Liquid, Chopped Tomatoes along with their Juice, Tomato Paste, Minced Garlic, Cumin, Oregano, and Salt and Pepper to taste, Simmer, uncovered for 20 minutes.
7	STEW: While the Stew is simmering, in a large skillet over medium heat, add in the remaining 2 tablespoons of Olive Oil and heat until it shimmers. Add in the Red and Yellow Bell Peppers while stirring occasionally, until softened, about 4 minutes. Stir the Pepper Mixture into the Stew with enough remaining Braising Liquid to thin it to desired consistency and simmer, uncovered for 5 minutes. Stir in the Peas and Olives and simmer, uncovered for 5 minutes more.
8	YELLOW RICE: In a heavy saucepan over medium high heat, heat the Olive Oil until hot but not smoking and sauté the Cumin Seeds while stirring for 10 seconds, or until they turn a few shades darker and are fragrant.
9	YELLOW RICE: Stir in the Saffron and Uncooked Rice and sauté while stirring for 1 to 2 minutes, or until the Rice is coated well. Stir in the Water called for on the Rice Packaging, Salt and boil the Rice, uncovered and without stirring, until the surface of the Rice is covered with steam holes and the Grains on the top appear dry, 8 to 10 minutes
10	YELLOW RICE: Remove the pan from the heat and let the Rice stand while covered for 5 minutes. Fluff the Rice with a fork and serve immediately.
SERVE	Center a pile of Rice on a dinner plate and generously stack Stew on the top. Serve while hot.
